

Vedic Astrology 101

A short deck on the new 1-year course

What makes a good astrologer

“O Maitreya, the words of one who is skilled in mathematics, who has put in industrious efforts in linguistics, who has knowledge of justice, who has wisdom, who has knowledge of geography, direction and time, who has conquered his senses, who is logical and who has studied astrology, will doubtless be truthful.” (BPHS, 27:39-40)

What is this course all about

Astronomy relevant to Astrology

Indian philosophy and mythology
